

Floodlight Cam

1080P H.265 outdoor security camera with floodlights

Floodlight Cam delivers 2MP live monitoring and supports the latest H.265 compression which can save up to 50% bandwidth and storage. Install it at the entrance of your garage to replace your current floodlights. The motion-activated security camera with built-in floodlights allows you to know what is happening at anytime from anywhere, and you can drive away any intrusion with the 110dB Siren remotely.
